

LUMEX® Electric Easy Lift STS (Sit-to-Stand)

A Graham-Field Brand

Easy Lift Sit-to-Stand

The Lumex® Easy Lift STS, designed to provide quick, secure assistance to those who have trouble standing, features heavy-gauge steel construction with a white powder-coated finish. The unique, ergonomic foot pedal leg opening and large, easy-to-grip handles facilitate maneuvering. The Easy Lift STS features an adjustable knee pad unit and quick-release removable foot platform; an optional buttock strap for patients requiring additional support is also available. Convenient features include an ergonomic hand pendant with pendant hook, and a warning beep for low battery charge and weight capacity levels. The lower base height maximizes stability and fits under most beds, and the rubber base coating protects furniture and walls. The 24VDC motor provides quiet, smooth operation. Emergency features include an easy-access emergency stop button. The Easy Lift STS includes an accessory storage bag for slings and charger. The Easy Lift STS is designed to meet the requirements of HCPCS Code E0635 and carries a 1-year limited warranty.

Deluxe Sit-to-Stand Padded Sling

Cushioned support panels under the arm and lumbar areas enhance patient comfort, and the unique cross-over strap and non-slip inner pad keep the sling in place and prevent it from riding up. Optional Stand-Assist Buttocks Strap (DSLSA9, shown below) is available for initial lift assistance. Carries a 1-year limited warranty. For use with LF2020 and LF2090 STS Lifts.

ITEM	Size	Torso Girth	Max. Weight Capacity	Qty
